## HAKKIMIZDA

Berkal Metal 2003 Yılında sektör hakkında gerekli bilgilere sahip olduğunu düşünen ve üretebilme kapasitesini fark ederek hem firma olarak gelişmeyi, hemde ülkesini kalkındırmayı amaçlayarak güvenli ve tecrübeli bir ekiple, yurt içi ve yurt dışı pazarlarına alüminyum korkuluk sistemleri üreterek satış yapmaya başlamıştır. Bu başlangıçla sektöründe emin adımlarla ilerleyen firmamız halkımıza daha esnek, daha uzun ömürlü, daha çevreci, daha renkli ve daha yaygın alüminyum korkuluk sistemleri ürünleri sunabilmek için her geçen gün daha çok çalışmaktadır.

Zamanla kalitesini daha çok yaygınlaştırıp adından söz ettiren Berkal Metal 2008 yılında 2500m2 alana sahip bir fabrikaya geçerek üretim hızını arttırmış kalitesini daha üst segmentlere doğru yükseltmiştir. Berkal Metal ailesi her geçen gün gelişerek daha iyisini yapmayı hedeflemiş ve bu hedefine her geçen gün daha da yaklaşmıştır. 2009 yılında şirketleşme kararı alan Berkal Metal büyümesine son hız devam etmiş ve artık yurt içinde olduğu gibi yurt dışında da adından söz edindirmeyi başarmıştır.

Alüminyum korkuluk sistemleri üretiminde yüzlerce çeşit ürünümüzle hizmet verirken müşteri memnuniyetinin ve satış sonrası destek hizmetimizin kalitesini arttırmak amacı ile ürettiğimiz tüm ürünlerin uygulamasını da istenen ve talep edilen şekile göre zamanında yapmaktayız. Yaptığımız işte sadece kaliteli olmayı vaad eden bir firma değiliz! Biz kalitesinden ödün vermeyen, dürüstlük ilkesinden asla çıkmayan, yüz güldüren işler yapmayı hedefleyen ve bu hedefi doğrultusunda ülkesini kaldındırmak amacı güden, işine ömrünü adanmış insanlardan oluşan kaliteli ve vizyon sahibi bir ekip, bir aileyiz.

Geçmişte olduğu gibi gelecek hedeflerimiz konusunda da azimle çalışıyoruz. Biz işini severek yapan, işiyle gurur duyan ve her zaman gelişmeye açık bir ekipten oluşuyoruz. Biz;

"Farklılığınızı yansıtan estetik çözümleri en iyi şekilde çözümlüyoruz!"...
